#### **The 'H Factor' Finals**

During the final week of last half term week we hosted the 'H' Factor Finals. Pupils had already undergone auditions and received mentoring from Miss Iliffe, Miss Keeble, Mr MacRae and Mr Pryke. Our judges for the evening included Georgia Bull (singing teacher), Lois Hinsley (Head of Curriculum at One) and Izzy Double (alumni and talented performer) and the evening was expertly compered by Miss Fenwick and Miss Meadows.

The acts were of the highest quality and it was difficult to identify who should win. As the judges discussed their choices the audience was treated to a performance from last year's winner Oliver Cross and the finalists from our feeder primary competition which was won by Joe Pearson and Freya Woodward from Hadleigh Community Primary School.

After some tough deliberation the panel chose Deacon Cutt as the winner for 2018. Deacon not only sang the challenging song "*I Believe in a Thing Called Love*" (originally a hit with The Darkness) but also performed superbly showing star quality.

I would like to thank all pupils who showed the courage to perform, families who attended this popular event as well as staff who supported our performers.

It can be tricky to know when and how to start those awkward conversations but the key is to start them as soon as they can go online on their own. Watch & download [#DigitalResilience](#) Toolkit [internetmatters.org/advice/digital...](http://internetmatters.org/advice/digital...)

### Health and Safety - Allergies

Allergies in society are always on the increase, and in school we are constantly making sure that we protect our students and staff who are susceptible to reactions with certain food types. In order to further protect the wellbeing of our school community, we have made the school a **nut-free zone** and would like to thank you for your support in this matter by not allowing your child to bring in items of food which contain nuts. We have provided, for your information, a list of popular items to be aware of. For some items the link with nuts may be obvious but for others it may be less clear!

**Nutella** – contains hazelnut.

**Milka chocolate** – this has no signs of nuts on the packaging, but it is made with hazelnut.

**Pesto** - contains pine nuts, although these are not nuts, they could potentially be as dangerous as nuts to someone with a serious nut allergy, so for this reason, we kindly ask you not to take any risks.

**Marzipan** – contains almonds.

**Nougat** - contains nuts.

**Peanut butter** - and all other **nut butters**; "Speculoos" (the Belgian biscuit spread - available in most supermarkets) is an ideal replacement for peanut butter, it has a similar texture.

The majority of **breakfast / energy bars** contain nuts.

**Granola** – breakfast cereal and bars.

If anyone is in the habit of buying tins of chocolates as gifts, these should be checked carefully.

**Coconut is absolutely fine** – this is not classed as a nut.

Thank you for your support.
